# Proposal for Online Access to Operating Committee Materials

March 15, 2012

# Proposal to make full use of [opcom.velco.com](http://opcom.velco.com)

- Proposing for future meeting materials:
  - All materials to be posted at [opcom.velco.com](http://opcom.velco.com)
    - Site is accessible to the public
    - Materials have been posted here since 2009
  - Pre-meeting distribution by links in an email (as is done for VSPC)
  - CEII or otherwise confidential materials to be posted in a section that is password protected visible only to those with accounts
    - Accounts to be updated and new passwords provided to those who need them
    - Passwords/accounts are the same as VSPC and eEnergy sites.
- Need feedback from OpCom about workability and convenience of proposed approach
