Tom and Chris,

It was a pleasure meeting with you yesterday. I enjoyed the updates provided in the various presentations and I look forward to working with you and your teams moving forward. I have copied Christine on this email as a reminder for us to get a letter to you so we can update who our primary and secondary representatives will be. Below, in the signature to this email, is my contact information. Please let me know if there is anything you need from us. Otherwise, have a great weekend!

Regards,
